

Website Update Requirements Document

Prepared For

Developer Team

Point of Contact

Akash

1. Blog Management Section

Requirement

Please provide a simple process or admin access flow for uploading and managing blogs on the website.

Notes

- The client team (including Azaba) wants to upload/manage blogs themselves in the future.
 - They require guidance on how blog posting will work.
-

2. Body Treatment Section

Required Change

Update the heading/title.

Replace Existing Heading With:

- Slimming Body Treatment OR
- Body Slimming Treatment

Notes

- No other changes are required in this section.
 - Only the heading/title needs correction.
-

3. Laser & Aesthetic Section

Remove the Following Items

Please remove:

- Chemical
- Microdermabrasion
- Electrolysis
- Any unnecessary icon/category currently added under this section

Keep Only

The section should only contain:

- Laser Hair Removal Reduction
- Laser Aesthetics

Notes

- Keep this section clean and simplified.
-

4. Homepage Introduction / Founder Section

Current Requirement

Do NOT add the following for now:

- Founder photos
- Personal introduction
- About/founder description content

Important

- The client may want to add this later (possibly after 6–8 months).

Development Requirement

- Leave proper space for this section OR
 - Create a placeholder layout that can easily be updated later.
-

5. Semi Permanent Makeup Section

Required Change

Remove all additional skin-related content.

Final Section Name

Keep only:

- Semi Permanent Makeup

Notes

- No extra skin categories/content should remain under this section.
-

6. Beauty Therapy Courses Section

Replace Existing Title

Replace:

- Beauty Therapy Diploma

With:

- Beauty Therapy Training

Add Course Levels

Include:

- Level One
 - Level Two
 - Level Three
-

7. Reference Website

Important Reference

Please refer to the Furless website for:

- Course structure
- Layout inspiration

- Short courses presentation
- Overall organization of training sections

Notes

- The client specifically requested reviewing the Furless website before finalizing the course structure.
-

8. CIBTAC Courses Section

Add the Following

- CIBTAC Level One
 - CIBTAC Level Two
 - CIBTAC Level Three
-

9. Short Courses Section

Add “Short Courses” Category

Under this section, include the following courses:

- Hydra Facial Treatment
- Manual Facial Treatment
- Micro Needling
- Superficial Chemical Peel
- Microdermabrasion
- Oxygeneo
- Hair Restoration Therapy
- Advance Dermacosmetics Training
- Electrolysis Courses

Notes

- The client specifically mentioned that all of the above should come under the “Short Courses” category.
 - Use the exact naming structure shared by the client wherever possible.
-

10. Laser Courses Section

Add the Following Laser Courses

- Laser Hair Reduction Technician

- Laser Aesthetics
-

11. Overall Website Direction

Design & Structure Guidance

- Keep the website clean and minimal.
 - Avoid unnecessary categories or overcrowded sections.
 - Use the Furless website as the primary structural reference where applicable.
 - Ensure future scalability so additional sections/content can be added easily later.
-

Pending From Client

The client may still provide:

- Exact wording for some services/courses
 - Final naming conventions
 - Additional adjustments after review
-
